Foundations
Award for
Responsible
Research &
Innovation

European Foundations Award for Responsible Research & Innovation

Who may apply?

Universities, research centres, individual researchers, research consortia, civil society organisations and any other type of organisation involved in a responsible research practice in Europe.

Research conducted solely by for-profit organisations is not eligible.

When?

Application closes December 7th 2015. The awards will be offered to the winners at the end of 2016.

How can you apply?

You can find additional information and the application form at www.efc.be

What is the award?

Three prizes of €20,000 each.

Eligibility criteria:

- Your scientific research project or research programme addresses a responsible research practice.
- Your research coordinator must be located in the European Research Area.
- Your research must be ongoing or was not completed before 2013.
