

Transforming the way we get around is our investment in the future, which is why we are driven by the idea of making micro-mobility accessible to all.

Together with the Università degli Studi di Milano, we decided to offer special discounts to students and academic staff. Whether you want to go to university, go out with friends, or explore a new part of town, Dott offers you the opportunity to make your daily commute easy, sustainable, convenient, and safe.

### **WHAT IS IT??**

Dott was founded in 2018 with the aim of offering an alternative, environmentally friendly, and safe method of transport in all cities, and is today one of the leading operators in the micro mobility sector.

### **WHAT ADVANTAGES?**

Dott offers to students and academic staff 20% off on the per-minute fare (unlocking fee included) up to a maximum of 500 rides, in the city of Milan.

### **HOW DOES IT WORK?**

1. Log on to the [dottpartners.com](https://dottpartners.com) portal and enter your email with the University domain
2. If you don't have it yet, **download** the [Dott app](#) from your store and create an account
3. From the app menu select **Promos**
4. Tap on "Add Code" and enter the unique discount code you received by email

### **CONTACT**
